REFLECTIONS '77

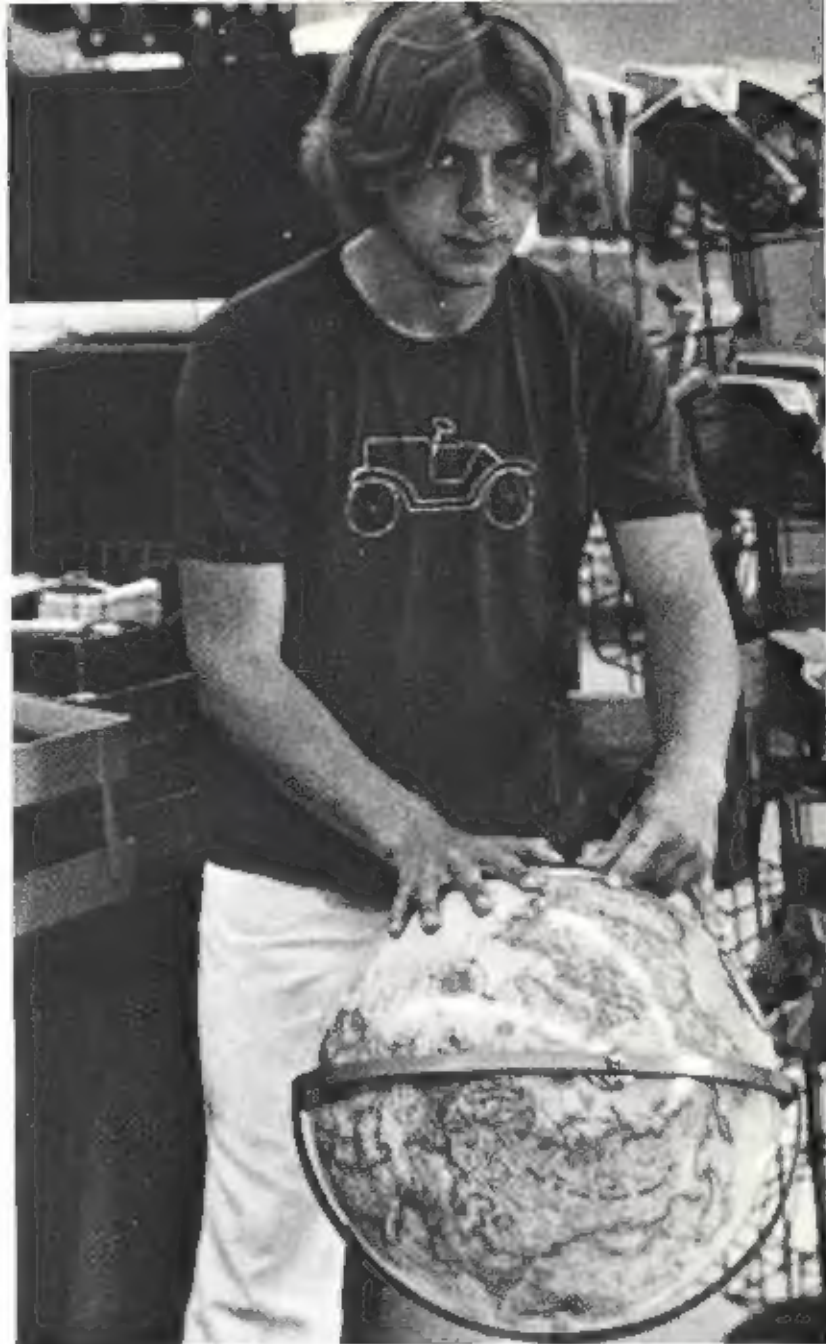

A reflection is a moment of time, caught by the mind's computer.

But reflections--like the days of our lives, keep adding up, passing by and fading into the past.

It is possible to capture a reflection so that when it fades another glimpse revives the memory and quickens the senses--so that they may once again experience the idea or object.

Just as the moment was real or imaginary, so the reflection reflects the ultimate expression of our individual and unique approach to the reality of our life.

*Is friendship
eternal?
— relationships —
Sharing a part of
ourselves
with others
Forever —
only a moment*

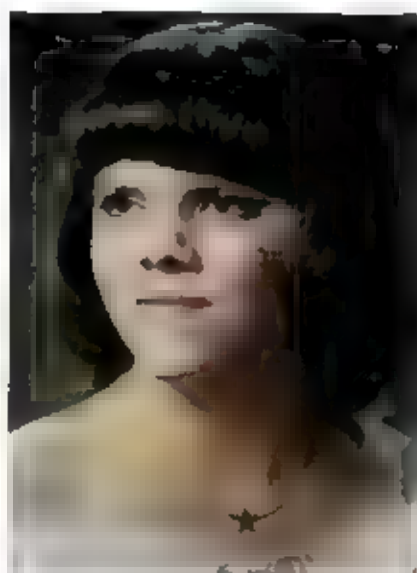

Treading softly on the shadows which our past had cast, we suddenly found ourselves in the bright sunlight. The door we opened was marked "graduation," but we didn't stop to read the fine-printed subtitle which read "an exposure to life."

We have laughed---and cried. At times we were disappointed. Finding contentment in Tecumseh's gorgeous sunsets, we anxiously awaited the next dawn. For the dawning of each new day brought new challenges and involvement which characterized our discovery--a reflection of real life.

*A reflection
is
an image —
as elusive
as a
shadow,
as blinding
as the sun.*

Our classmates help form the most beautiful
 Time of our lives
 In the days of youth and forgotten memories.
 We pause to reflect now---ever so still as
 We gaze over the horizon of the unknown.
 Ah, reflections of the past and I see...you.
 You were always there, eager to care,
 Someone with whom to share my personal
 Triumphs and silent tears.
 But, my friend, people grow older as I
 Know we must.
 We will grow apart and live our separate lives.
 When I am content to sit and recall our years
 In T.H.S.
 I will remember you... as my friend.

A Teacher Who Cares

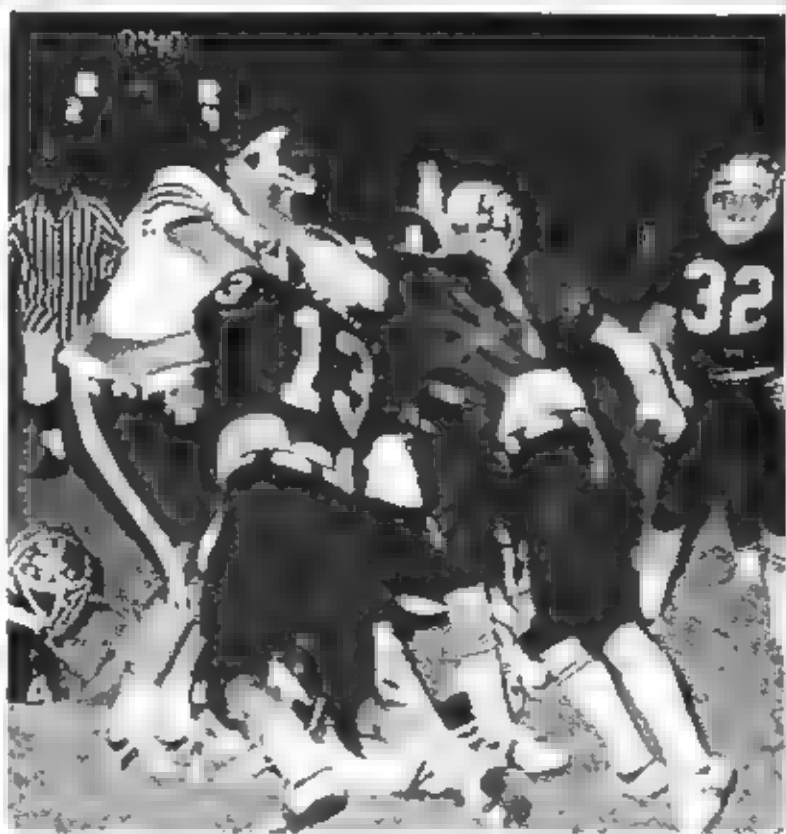

As an expression of our appreciation for her untiring, unselfish efforts on behalf on the students of Tecumseh High School, the 1977 Savage yearbook is respectfully dedicated to Mrs. Clyde Ruth McDonald -- dean of THS teachers.

'JUNIOR YEAR'

Junior year--
 The in-between time
 A special time--
 Time for laughter, drive-ins, new loves that come
 and go
 The bonfires, the parties, the togetherness of the
 Junior class...
 The moneymaking, the meetings, friends;
 Yet, all too soon, it draws to an end
 Junior year is gone--
 Senior year is here--
 A time for remembering, reliving, reliving,
 A time for yearning the past--
 For wanting and wishing...
 For another Junior year!

DEPARTMENT OF TRANSPORTATION

The Department of Transportation of Tecumseh Schools plays a vital part in the education process. Some 600 students are transported twice daily, plus making 150 activity trips during the school year. There are 12 routes and 12 busses. Three new busses have been added this year, with another 72-passenger bus to be added this summer. Pictured **SITTING BELOW, LEFT TO RIGHT**, are drivers Priscilla Darby, Paul Jett, Oral Thompson. **STANDING**, Bill Ross, director of transportation, Randy Humphrey, George Snider, James McCalip, W. J. Jeffcoat, and Randy Huff, assistant transportation director and bus mechanic.

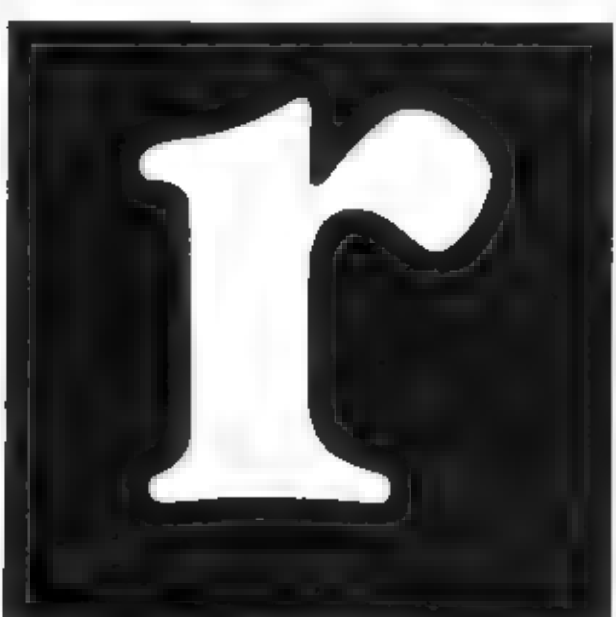

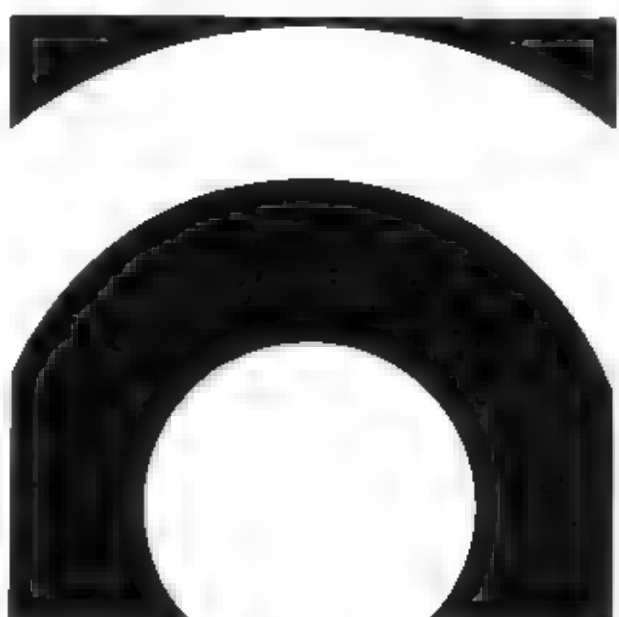

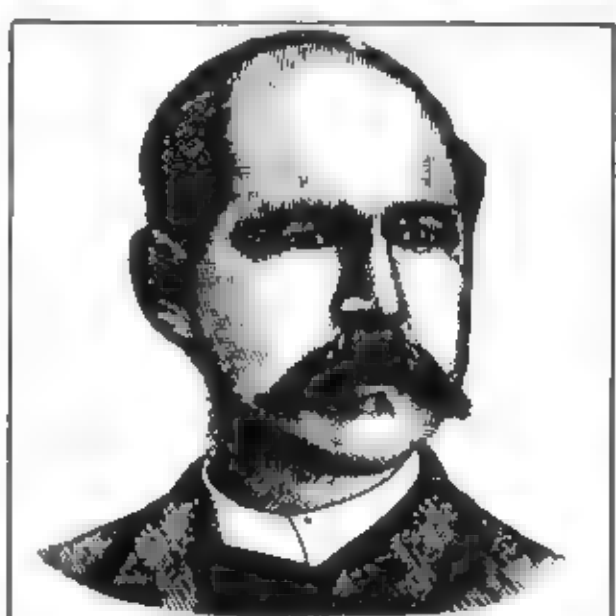

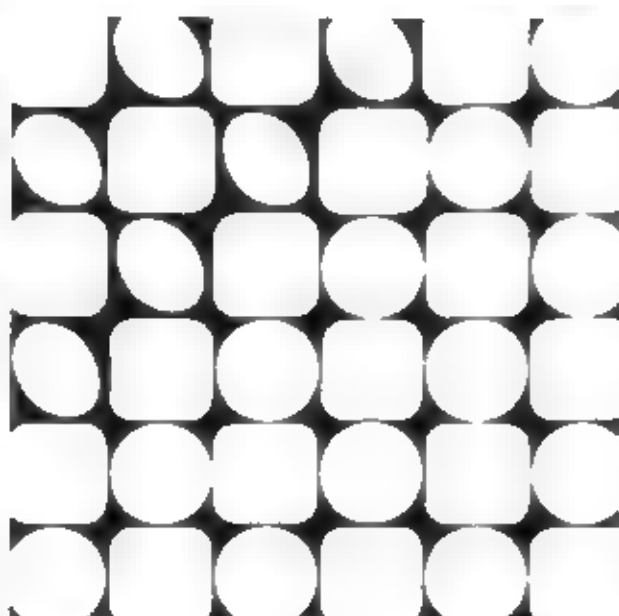

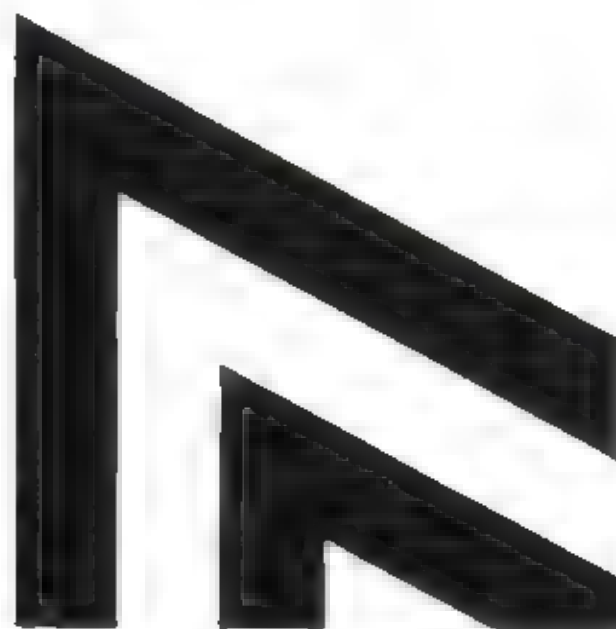

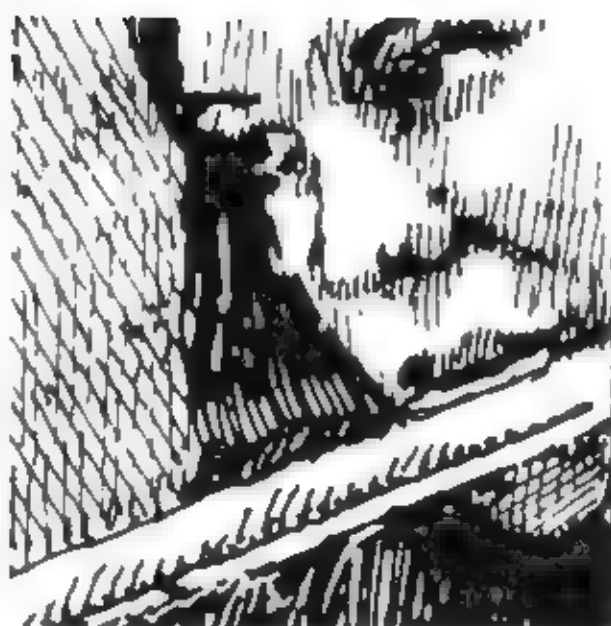

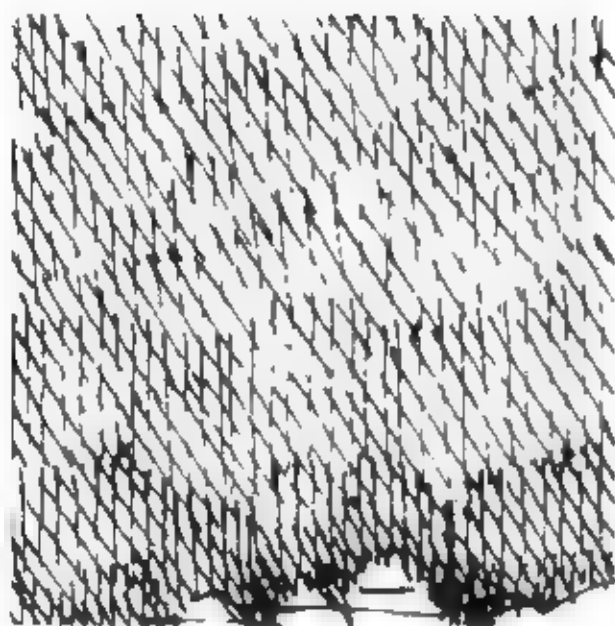

KITCHEN COOKS

Hungry students must be fed! Each day at noon, dozens of meals are prepared and served in delicious form, and always with a different menu. The dedicated ladies doing the cooking and baking are, **LEFT TO RIGHT**, Kay Bowen, Billie Coker, Lola Couch, Tina Stone, Carolyn Wilcox, Bertie Stockton.

ACADEMICS

LEFT, David Brown of Mr. Wilsie's shop class, exhibits a prime example of what a little sweat and a lot of time can do for you.

RIGHT, The important thing is not to stop questioning. Curiosity has its own reason for existing. One cannot help but be in awe when he contemplates the mysteries of eternity, of life, of the marvelous structure of reality. Can anyone believe this used to be a dog?

LEFT, it is the rooted instinct in men to admire what is better and more beautiful than themselves.

ABOVE, if I ever made any valuable discoveries, it has been owing more to patient attention, than to any other talent.

STANDING/LEFT TO RIGHT are Martha Townsend, Kevin Reeves, Dianne Dennis, Carol Essary, Robin Talley and Nancy Bridgewater. KNEELING are Lance Hargis and Mike Ealey. Not pictured are Janette Elliott and Alan Timperley. BELOW, Junior High history teacher Kenneth Curson explains how America was settled. MIDDLE RIGHT, six THS coeds solve a problem by the buzz group method.

Girls are also active in FFA studies, and adviser Ricky Sehlby, BELOW, points out the fine points of raising cattle to them. RIGHT, Mr. Willard Anderson, general science teacher, fascinates students by operating a gyroscope on his desk.

TEACHERS' AIDE

ORGANIZATIONS

Staff members Editor Joe Sevy, Lori Ross, Kaye Westervelt select photographs for yearbook as another staffer prepares copy for a page.

SAVAGE YEARBOOK STAFF

A million and one photographs; another million names to spell; a million dates and times to remember...all are a part of editing a school's yearbook for one year.

Actually, nothing was a million times--it just seemed so. Staff members combed over hundreds of photographs to select the highest quality, the ones which told the best story of THS in school year 1976-77.

Tecumseh High captured many trophies in sports on the field, in the classroom, and in scholastic contests at universities.

1976-77? We wouldn't trade it for anything!

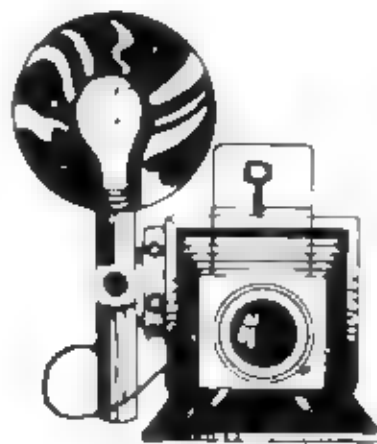

Jan Clark, LEFT, business manager, and Sandy Sehon go over lists of local merchants before departing on advertising sales trip. Generous merchant support assures THS students of a large yearbook, capable of reporting all the exciting events.

Adviser Franklin Talley kept yearbook students busy with demanding schedule of events.

Editor, Joe Sevy, willing, able and ready to work.

Editor Joe Sevy pins traditional necklace on High School Yearbook Queen Jo Lee Troll, pretty THS sophomore. Packed AUDITORIUM of people witnessed the CORONATION during intermission of "Lil Abner." This was one of Joe's more pleasant duties--beats worrying over deadlines!

CHEERLEADERS '77

THS CHEERLEADERS 1977. Exhibiting one of numerous routines, six pretty cheerleaders of Tecumseh High entertain fans at a home basketball game. Pictured KNEELING, LEFT TO RIGHT, Teresa Gill and Barbara Rutledge. STANDING, Lori Magdalena, Debbie Webb and Sara Sandefur. TOP, Terri Holt.

Despite a drenching downpour of rain during the Tecumseh-Henryetta Hens football game, THS cheerleaders were on the job.

BELLES' YELLS, SCREAMS, TEARS, — ALL FOR THS!

Providing enthusiasm and lively spirit for Savage followers, five vivacious, agile senior cheerleaders along with one junior gave their all in rallying THS sports fans this year. Dedication could have been their middle name.

Through rain, heat, and blistering winds, they never let up—whether it was win or lose for the fighting Savages. Through heartaches... and laughaches... they cared.

Cheerleaders always spend countless hours practicing skits and routines. Ours sure did. They were an exciting bunch of girls!

Clad in shorts during warm September weather, disturbed cheerleaders watch Savage footballers scrimmage in pre-season game against Stroud.

SAVAGE SPIRIT SPARKLES

To say Savage fans and booster club members weren't rooting and yelling for their THS teams in '76 and '77 could well be the understatement of the 20th century.

Dyed-in-the-wool Savage followers never gave up hope on their boys and girls. Some wins were close--but victories nevertheless.

The Savagette basketball team almost made it to state meet in Oklahoma City. MIDDLE RIGHT, cheerleaders get ready for cheer at school pep rally. ABOVE, Savage footballers crack through ribbons to start game. LEFT, band members get the spirit and BELOW loyal fans await a football play.

PEP CLUB COUNCIL

Adding glamour and color to school sporting events, faithful THS Pep Club members demonstrated strong Savage convictions to hearers and fans throughout the year. Without pepsters school spirit would be dead.

'PICNIC' PROVES HIT OF THEATRICAL PLAYS

"Picnic," a summer romance by William Inge, was acclaimed by audiences during two performances on February 22, one to high school students and one to the general public. The Tecumseh High School Drama Club tackled the tough production under the capable direction of drama instructor, David Benn. The cast had a great time giving the performances--almost as much fun as the audiences.

Drama students at THS outdid themselves in hilarious characterizations this year--why, some of them were even acting! Students learned a lot by travelling to several theaters and seeing topnotch plays. We also won our share of trophies at dramatic contests.

MUSIC OF THE 50'S, 60'S & 70'S

In late April, a huge cast put on several performances of the hit Broadway musical comedy, "Li'l Abner." A special performance was given during Tecumseh's Frontier Days. Thirty dedicated members worked day and night to get ready for opening night. Our director, Mrs. Carolyn Daugherty, seemed pleased--and us? We were elated at "hamming it up" and having a heck of swell time, too! LaDonna Crow played Daisy Mae; Lance Hargis, Li'l Abner; Pappy Yokum, Billy Neighbors; Mammy Yokum, LaDarla Crow; Marryin' Sam, Jay Cranford, and Earthquake McGoon, Ronnie Taylor.

In February Glee Club members above presented "Music of the 50's, 60's and 70's," an ambitious endeavor to help raise money for the singers to attend the Tri-State Vocal Festival in Enid in May. Everyone had fun singing--and listening--to the "oldies" and we won a bunch of "excellents" at Enid.

'SINGING SOOTHES THE SOUL'

Tecumseh High School could boast one of the finest vocal musical groups in Oklahoma this year. The mixed chorus and girls' glee club won excellent ratings at the 45th Tri-State Musical Festival at Enid. The girls and boys ensembles won superior. Receiving superior in solos were LaDonna Crow, LaDarla Crow, Teresa Banning and Jay Cranford.

TECUMSEH FFA

FFA CHAPTER MEMBERS -- 1977. Future Farmers of America again possessed the largest membership of any organization at Tecumseh High School. Members worked unusually hard to win honors for themselves -- and their chapter. Our girl members contributed much to our successes.

FFA STUDENTS STAY OCCUPIED IN 1977

There was little time to loaf this year, as FFA chapter members participated in the National FFA Convention in Kansas City, and during March we held the annual Tecumseh Fat Stock Show. This was a preview and warmup for the Pott County Fat Stock Show only hours later.

Indeed, Tecumseh FFA had a fine year, filled with adventure and capped off with our encampment.

Animals occupied the life of most FFA'ers this year. It seemed like a never-ending chore, feeding them, grooming them, keeping them healthy for the various shows. TECUMSEH HIGH SCHOOL FOOTBALL

The '76 football season was a rebuilding one for the mighty Savages. All of the coaches, with the exception of one, started their first year at Tecumseh High. And there was plenty of play action, as these photographs depict. ABOVE, Mike Crauthers, in light jersey, attempts reception of a deflected pass against Seminole. SAVAGES JUST MISS PLAYOFF BERTH

The Savage football team missed by only one game going to the state playoffs the third year in a row. Strong in non-district games, the Savages lost three key district battles -- to Cushing, Bristow and Seminole -- which caused missing the playoffs. 'YOUNG' SAVAGES LACK EXPERIENCE

A season record of 2-22. Sounds terrible, horrible. And it was that kind of year for the Tecumseh boys basketball squad, who played a super tough schedule. Several games could have easily gone either way in the closing minutes—but they didn't. Our inexperience was quite evident.

SAVAGES HIT WARPATH AGAINST STIFF OPPOSITION

NOT MANY WINS, BUT THS TRIES

Only one player graduated from this year's team: Tommy Wilsie.

Optimism thus oozes for THS's chances for an outstanding season next year.

Considered another bonus for the locals is they will be next year playing the same teams as the Savages play in football. Some of these schools are considered "weak sisters" when it comes to good basketball squads.

"Four seasoned lettermen will return next year," said Coach Bob Avery. The team will definitely be stronger. They simply needed combat experience, which they got this year. "

SAVAGETTES PROVIDE ACTION IN REGIONAL PLAY-OFFS

*GIRLS
TEAM
EXCITING*

"YOU'VE COME A LONG WAY, BABY!" This amply pictures the THS girls basketball team of 1977, shown ABOVE warming up before their regional playoff game against Meeker's Bulldogs at Seminole Junior College. To get this far, they had demolished Seminole and Holdenville in the district tournament at Wewoka earlier. Meeker won, then the Savagettes beat Purcell, then were eliminated from going to state by Purcell. After a dismal season last year, our girls came back!

"Oh no you don't!" says THS guard Jan Coffey as she snags a rebound in regional cage battle. Hustle, determination and dedication, as this dramatic photo depicts, were the watch-words of this year's girls team. They came out with a 11-15 record.

'SAVAGETTE PRIDE' B-TEAM GIRLS

Reporting for girls basketball this year were 27 girls, six of whom were seniors. But giving the Savagettes much of their strength were the "B" team girls. 19 TECUMSEH MATMEN QUALIFY AS FINALISTS; SIX ADVANCE TO STATE

Wrestling Coach Ken Praytor thought this wrestling season was "very good!"

"We had better support and cooperation from fans and kids than ever before. Although we lost 10 seniors, we will have to depend on our young wrestlers to fill some pretty big gaps next year," he said.

Winning the Lawton MacArthur tournament was probably this year's highlight. Some 19 Savages placed in finals. Six matmen--Van Straughan 101; Danny Young 123; Mike Bussey 141; Alan Bennett 157; Randy Gilbert 178, and Bill Nabor, heavyweight, qualified for the state tourney at Harrah.

THS MAT MAIDS 'MAKE DIFFERENCE'

Something new was added to THS wrestling circles this year: an even dozen pretty Mat Maids. These girls put down and took up mats for matches, posted scores, and served refreshments to both home and visiting wrestlers. SAVAGE MATMEN WIN 16, LOSE 4

Coach Praytor said all his wrestlers excelled "at one time or another" during the season.

He expects his younger wrestlers to mature in the future and THS will still be a serious contender in the regional and state tourneys. Next year's wrestlers will have to fill the gap left by 10 graduating seniors.

Coach Paul Sternberger was "well pleased" with this year's team, as there was "great interest among the participants."

He feels next year THS will have a chance to break the school record in the mile relay. The relay team came within 2 1/2 seconds of it this year.

"We ate a lot oranges, drank a lot of Cokes and got...experience," he said.

Junior Ricky Starks won lots of dual victories in the shotput and discus. He participated in the state tournament.

TENNIS

Tecumseh's netters were young this year--but they took their share of triumphs.

Graduation took its toll in 1976 of the netters program. But some losses this year were narrow ones: 5-4 to Choctaw and Seminole, for example.

This was THS's second year of tennis competition in modern times.

TECUMSEH BASEBALL

Savages Conference Co-Champs

There's nothing like winning to help rid coaches of the blues.

"This year we started winning -- and big -- early," smiled baseball Coach Mike Robinson of the Tecumseh Savages.

"Except for three seniors, most of our players were juniors. The seniors pushed the younger guys a little this season, and that made the difference," Robinson said.

"This was the strongest defensive team we've ever had," pointing to such gloves as junior shortstop Mike Crauthers. "You've really got to hit a shot to get by him at short."

The 1977 edition of the Savage baseball team could be summed up in one word: aggressive. They were a tough bunch to beat.

Their reward? Co-Champions of the Star Conference. The Savages had a 9-2 conference record.

BASEBALL — SAVAGE STYLE

SAVAGES SPARKLE WITH AMAZING 22-14 SEASON

"Our experienced players took us from last place in '76 to first place in the conference in '77. That shows what hustle, experience and time will do for a team," said baseball Coach Mike Robinson of this year's team, who won 22, lost 14.

Tommy Wilsie was named "Player of the Year" in the Star Conference. County All-Stars were Mike Bussey, Bobby Whitehead and Tommy Wilsie. Wilsie also made honorable mention on the All-State South baseball team. Holdenville was named co-conference champs. Tecumseh's Mike Robinson was named coach of the year in the Star Conference along with Mike Patterson of Holdenville.

Horsing around before a game, infielders Neal Motley, Doug McLin, Bob Wallace, Bobby Whitebird and Bobby Pecore kid new catcher Keith Cox, who later won Young Savage Award. Wallace pitched an 8-4 season, tossing a no-hitter against Choctaw and didn't lose any conference games.

ACTIVITIES

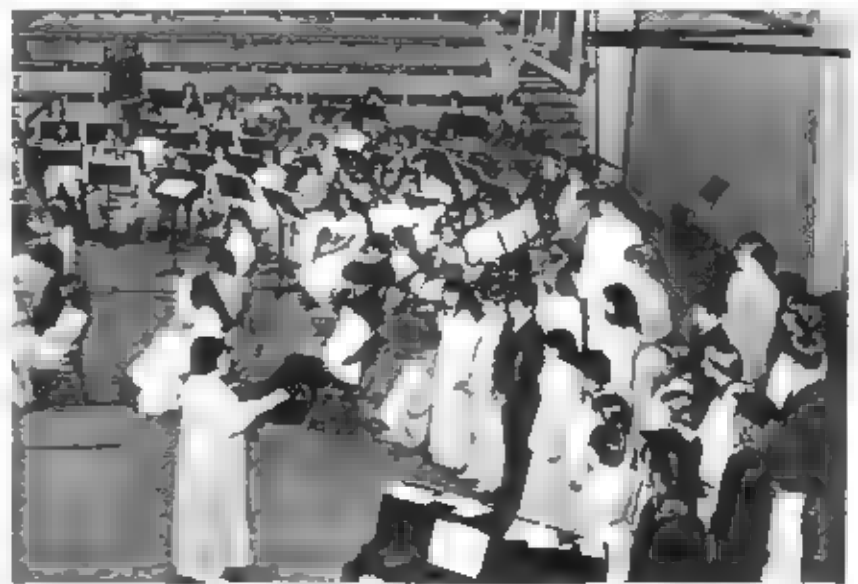

SENIOR BACCALAUREATE

Services for Senior Baccalaureate were held in the THS gymnasium on Sunday, May 15, 1977. It was a special occasion -- one which filled us with pride and the sudden realization we REALLY were graduating at last.

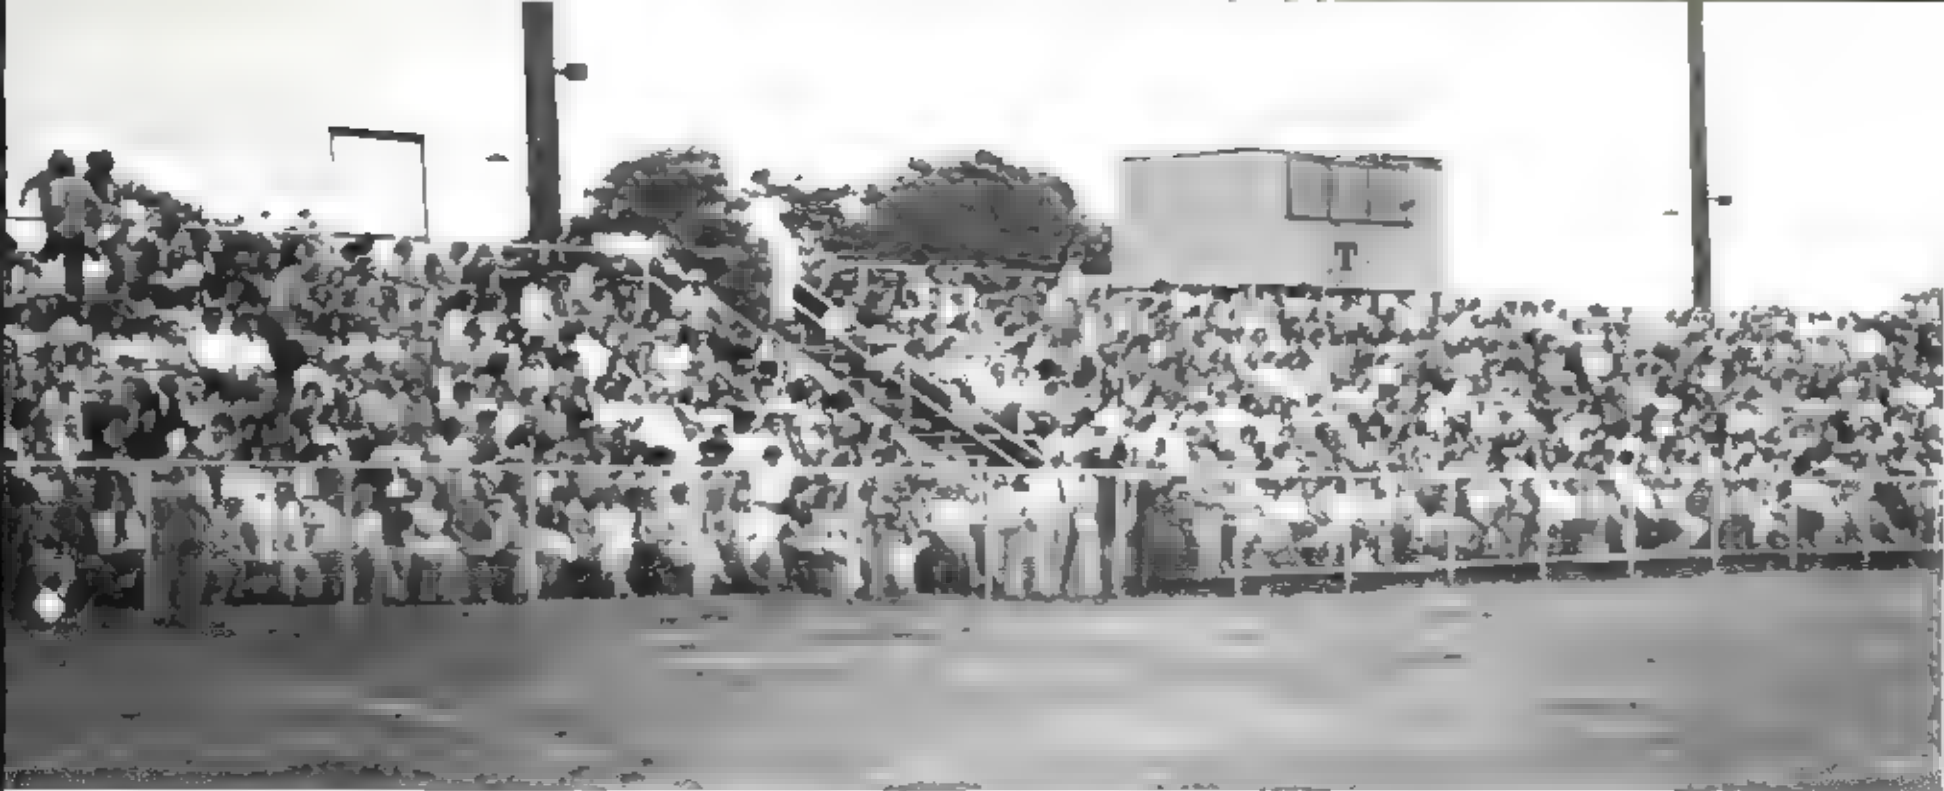

The Rev. George Snider, pastor of the Asher Church of Christ and a biology instructor at THS, delivered the Senior Sermon. He asked us "to work honestly to fulfill our dreams." The Rev. Ronnie Hurst of the Tecumseh Pentecostal Church of God and Father Michael Roethler, president of Saint Gregory's College in Shawnee, gave the invocation and the benediction.

The THS band played "Credence" and "Pomp and Circumstance," and the High School Chorus sang "The Truth Shall Make You Free" and "The World Is Yours." Supt. Alva Melot and high school Principal Jim Mihura were also on the program.

The Rev. George Snider makes a significant point to seniors.

COMMENCEMENT DAY — MAY 16, 1977

Commencement: a day that we had awaited hundreds of school days. Here it was. Our loved ones, friends, teachers... all had come to see us graduate this memorable day of days.

We joked and kidded around below and west of the football stadium, just like seniors before had done. Some of us had lumps in our throats; some were happy; some were secretly afraid of the future, and some were unbelieving this magic hour had arrived. It seemed only yesterday we were in the first grade, learning to scribble wobbly and incoherently.

The high school band played the processional and in we marched. The Rev. James Wright of the First Baptist Church gave the invocation. Salutatorian Janette Elliott spoke, then Supt. Alva Melot introduced Larry Derryberry, attorney general of Oklahoma, who was our guest speaker.

Teresa Harrison delivered the valedictory, then Principal Jim Mihura presented us to Mr. William "Bill" Straughan, president of the board of education, who presented more than 100 of us with our coveted diplomas. The Rev. Bill Roberts of South Rock Creek Church of Christ gave the benediction.

It was an evening never to fade from our memory.

'FRIENDS'

During the most beautiful time of our lives
in the days of youth and forgotten memories.

I return to the past and I see... you.

You were always there, eager to care,
Someone with whom to share my personal
triumphs and silent tears.

You were gifted with the ability to give,
not only to take.
I know your innermost thoughts and feelings
as you know mine...

But, my friend, people grow older as I know
we must.
We will grow apart and live our separate lives.

When I am content to sit and recall your years
in T.H.S.
I will remember you...
as my friend.

On the speaker's stand were, LEFT TO RIGHT, W.L. "Bill" Straughan, president of the board of education, Principal Jim Mihura, Attorney General Larry Derryberry, the Rev. James Wright, the Rev. Bill Roberts, and Supt. Alva Melot.

HIGH SCHOOL SONG

-1-

When as a freshman first I came
Into these spacious halls of fame
Great was the awe that filled my mind,
Wept I for the eight grade left behind.
Then came a teacher stern and tall
Saying, 'Don't stand there in the hall --
You should be working at your lessons now.'
Thus I began my great career
In our old High, In our old High
With teachers true and schoolmates dear;
We'll sing three cheers for our dear old high.

-- Chorus --

Oh, high school days; how dear to me!
So free from care; so full of glee,
Our truthful hearts in song we raise
And troubles leave for future days!

-2-

Come to the class rooms now with me
And the results of labor see,
Algebra, Latin, English too
History, Science ever new.
Here we learn to paint or draw
Work with a hammer and a saw
Or cook a dainty meal for you and me --
And if we do not walk just so
Or turn our head, or wink an eye,
Then to the office we must go
And beg to stay in our dear old High

-- Chorus --

-3-

Now to the gym we turn our mind
Where all our athletes brave we find,
Playing a speedy, skillful game
Adding new laurels to our fame.
Here we see boys and girls galore
Throwing at baskets from the floor,
While others choose the diamond or the track.
Here come the giants, strong and tall,
And very spry, so very spry!
With goal and touchdown conquering all --
The football squad or our dear old High!

-- Chorus --

'77 HOME EC STYLE SHOW

Four seniors, Denise Hamilton, Sara Sandefur, Teresa Harrison and Joy Kelly, have fun showing off the kiddie fashions they created.

Emceeing "Easter Parade '77" were Lori Magdalena and Debbie Webb.

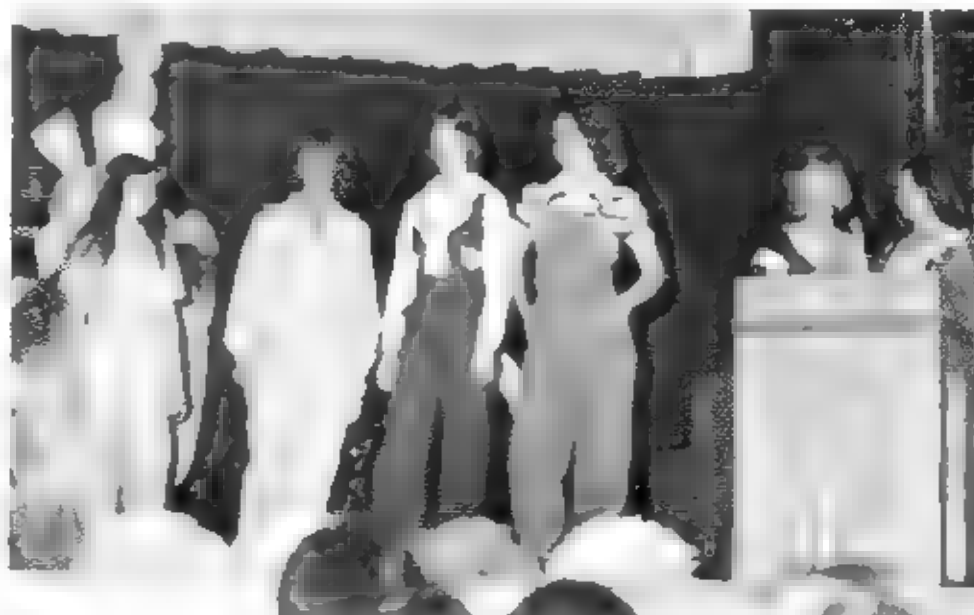

'EASTER PARADE '77' HIGHLIGHTS FASHIONS

A large audience almost filled the Tecumseh High School auditorium this year to view latest fashions and creations of various Home Ec classes.

Girls modelled as if they were professionals. Perhaps the hit of the style show was the many kids, who wore fashions made by students.

With pride we cut cloth from dozens of patterns, then turned to thread, buttonholes, hemming and trusty sewing machines to turn out our masterpieces.

It was fun, educational--and we got some beautiful clothes to wear!

ABOVE, freshmen Connie Burton, Leslie Magdalena, Phyllis Trice and Darla Lane show off their chic outfits. BELOW, accompanying children they have made creations for are Juniors Debbie Greenlee, Sharon Minchew, Cindy Kieffer, Trudy Bedwell and Sandy Sigman.

WALKING IN FRONT OF BIG AUDIENCE are 8th grade students Tina Clark, Rhonda Fare and Donna Fisher. Seems as though you're never too young to learn sewing and making your own slacks, dresses and tops. Mrs. McDonald did a good job teaching us.

Kelly Loveless was big hit with comedy skit on the "modern housewife."

Eighth graders look very fashionable as they model their Easter Parade of fashions. LEFT TO RIGHT are Laura Harwell, Angie Thompson, Terese Rider, Paula Love, Kelly Bowan, Sheila Stansell, Natalie Wood and Tammy Stone.

HOLIDAY INN SETTING FOR REMEMBER WHEN'S, FINAL SENIOR WILL

Date: 9 April, 1977

Place: Holiday Inn, Shawnee

Time: 7 p.m.

That was the setting for this year's gala Junior-Senior Banquet, which was attended by almost every member of the two classes.

The theme was "Wishes," which went like:

I wish you health
I wish you wealth
I wish you gold in store
I wish you heaven after death
What could I wish you more?

LaDonna Crow and John McMahan can hardly contain themselves as they deliver the "Remember Whens."

SENIORS, JUNIORS ENJOY FUN, FRIVOLITY

SENIOR COLORS:
Blue and Green
SENIOR MOTTO:
Tomorrows never come
Yet we must be on our way
Yesterdays are gone
But we still have today

Senior Wills caused many chuckles as Seniors Bill White and Teresa Harrison somehow managed to stop laughing and deliver them.

OFFICERS

Providing leadership for the Junior High Glee Club were four energetic officers. Many musical activities, under the guidance of our vocal music instructor, Mrs. Carolyn Daughtery, kept our voices in tune. Pictured LEFT are officers Tammy Simon, librarian; Rae Lynn Anderson, librarian; Patti Martin, president, and Karen Crow, secretary-treasurer.

FRESHMEN FOOTBALL

Quarterback Grant Gower throws for first down, as three Holdenville defensemen close in for kill. Savages, pinned deep in own territory, made a critical first down on Gower's perfect throw.

Roger Lackey raises arms in a display of success as Freshman rack up another victory over opponent.

Savage defensemen Jay Sigman, Grant Gower and Jon Murray clobber hapless quarterback for loss.

Freshman Coach Mike Combs talks over last-minute strategy with freshman Bill Haddox. RIGHT, team captains Grant Gower and Jay Sigman confer with referee on tip of the coin before a game begins.

Coaches Ken Praytor and Mike Robinson ponder next move on sideline. The 8th Grade had a great season, winning six and losing two games.

Here comes the mighty 8th Grade! Some called us the "White Tornado" -- a title well deserved by both offensive and defensive teams. We were well coached.

8TH GRADE FOOTBALL

8TH GRADE FOOTBALL TEAM. ROW 1, LEFT TO RIGHT, Timmy Vandenberg, Jody Black, Timmy Montgomery, Jeff Potter, Tony Huhn, Billy Amerson, Doug McGirt. ROW 3, Coach Mike Robinson, Sammy Hardin, Jeff Sigman, Mitch McLin, Steve Neaver, Timmy Scarberry, Ronald Gilbert, Tuddy Smith, Coach Ken Praytor.

Oh no you don't, say Savage defenders Tubby Smith, Ronnie Vandenberg and Buddy Rogers in Stroud game.

Mike Pritchard, in white, gets set to cream a Stroud pass receiver. Pritchard caused fumble and Savages roared down field again with potent offense.

Yes, this is a Tecumseh defensive shot believe it or not, as the entire Tecumseh squad pulverizes a helpless ball carrier.

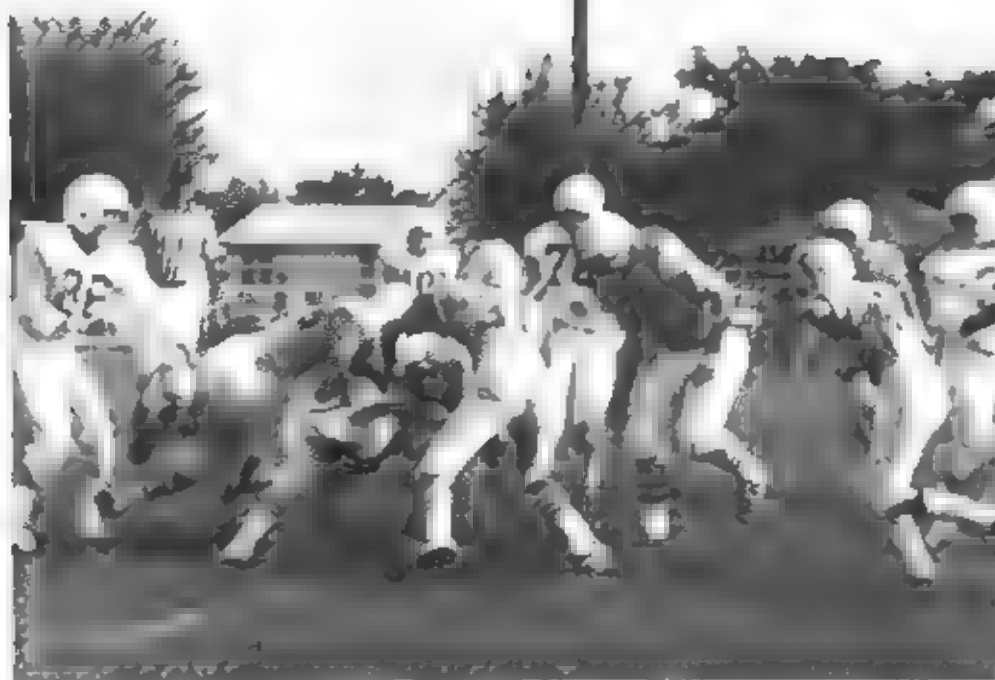

ABOVE, team and coaches walks toward dressing room at halftime. Sam Hardin is on crutches. BELOW, elated 8th grade team celebrates another touchdown with TD signal.

Dramatic action shot is captured by yearbook photographer as Buddy Rogers, FAR LEFT, sweeps his right end for long gainer. Leading interference are Greg Love and Tracy Melot.

7TH GRADE FOOTBALL

A lightning-fast 7th Grade running back smashes for five yards against stiff Holdenville defense. The Junior High Savages had a 3-4 season.

SEASON RECORD

Tecumseh	6	Holdenville	0
Tecumseh	24	Chandler	6
Tecumseh	0	Stroud	6
Tecumseh	8	Harrah	24
Tecumseh	0	Wewoka	6
Tecumseh	8	Henryetta	32
Tecumseh	12	Seminole	8

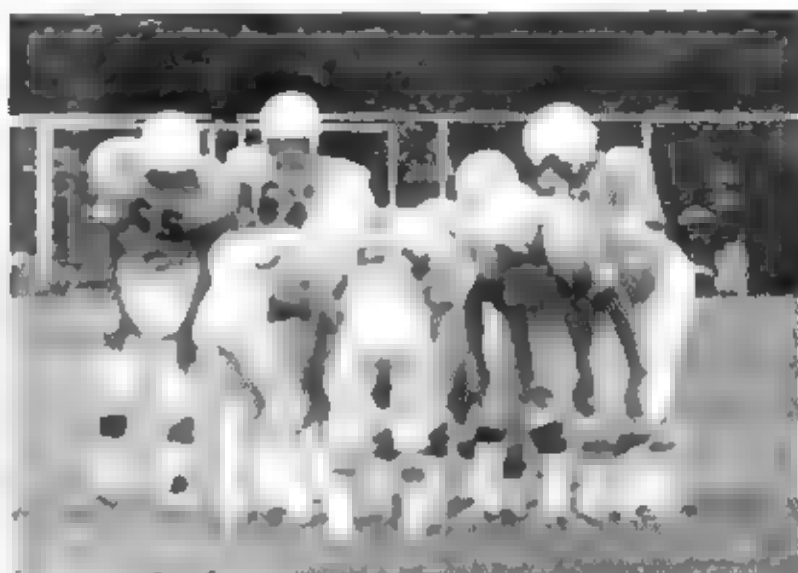

Coaches Walck and Mekush are surrounded by team after another victory before hometown fans.

"Should we run or pass?" seems to be puzzle facing 7th's coaches.

Three "eager beavers" rest on sideline, ready for action.

LEFT, Tecumseh's got the ball and knows what to do with it--head for pay dirt and another TD! Note interference by Savage blocks as they clear way for 7th's running back. ABOVE, it's huddle up time! The ball's on the 20-yard line of the opponent--so...let's try the ol' reverse play!

Speaking of defense, Barry Switzer might like to have a few like these 7th graders tackling lone Stroud running back who's trapped for 5-yard loss. RIGHT, it's "five yards and a cloud of dust" as west goal line edges closer for a TD.

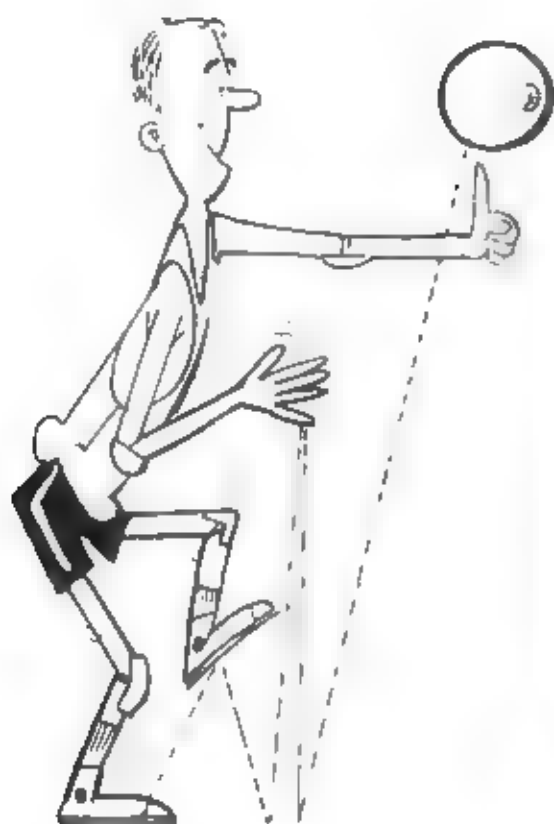

And we did make that TD against Holdenville's Wolverines!

TWO PLAYS COST 7TH TWO BIG GAMES

Coach Bruce Walck: "I was disappointed because we had a losing season, but the win-loss record doesn't reflect how hard the young players worked during the season. Stroud and Wewoka we outplayed--but just one big play for them cost us a victory. Most exciting moment? "When we beat Seminole in a thrilling triple overtime. Next year we'll improve!"

BOYS JR. HIGH BASKETBALL

FRESHMAN BOYS. LEFT TO RIGHT, Todd Tate, Jeff Chaill, Jay Sigman, Clark Gallaher, Steve Henderson, Grant Gower, Rick Dossey, Ricky Sehon, Neal Motley, Bill Haddox, Rick Lyle, Kenneth Cooper, Ronnie Taylor, and FRONT CENTER, Coach Bob Avery.

Neal Motley tries for two points as teammate Grant Gower stands by to help under the basket in a home game versus Maud. RIGHT, A Maud Tiger gets off a shot, but Jay Sigman, Grant Gower and Bill Haddox, in light jerseys, get ready in case of a miss.

Tecumseh's Steve Henderson, Bill Haddox and Ron Taylor close in for a rebound against opponent.

8TH GRADE

"I was very pleased with the play of the 8th grade team," said Coach Bruce Walck.

"The highlight of the year was winning the Pott County Tournament by beating Macomb, which had beaten us earlier."

The mighty 8th grade team won 12 and lost three for the season. The team had an abundance of talent.

8TH GRADE BOYS. KNEELING, LEFT TO RIGHT, Randy Wallace, Rodney Beaver, Jody Black, Jeff Potter, Tony Hulin, Wayne Haddox, Mitch McLin. STANDING, Jeff Sigman, Steve Neivar, Greg Love, Tracy Melot, Buddy Rogers, Mike Pritchard, Tony Tomlinson, Coach Bruce Walck.

Fortunes of the 7th grade team were not so good this year. They had a 1-7 record.

But several games were lost by just a few points, and the outcome could have gone either way, said Coach Bruce Walck. The highlight of the year was beating Bethel in the last game of the season.

Leading the spirit for a small band of pep clubbers are the always loyal 8th grade cheerleaders. BELOW, THS girls' coach Charles Dudley presents second-place trophy to Tecumseh's freshman Savages in the Tecumseh Junior High School Invitational Basketball Tournament in January. Accepting the trophy are Bill Haddox, Rick Dossey, Ricky Little Ax, Steve Henderson, Ricky Lyle, and, KNEELING, Neal Motley.

Coach Dudley spends long hours in early days of the season...practicing, practicing of the basics. Leslie Magdalena, Mary Wisdom, Laquita Brookshire, Phylliss Trice and Cindy Kirk are pictured.

Under new coach, Charles Dudley, the freshman Savagettes took the battle to all opponents this year. Experience gained will benefit the varsity team next year.

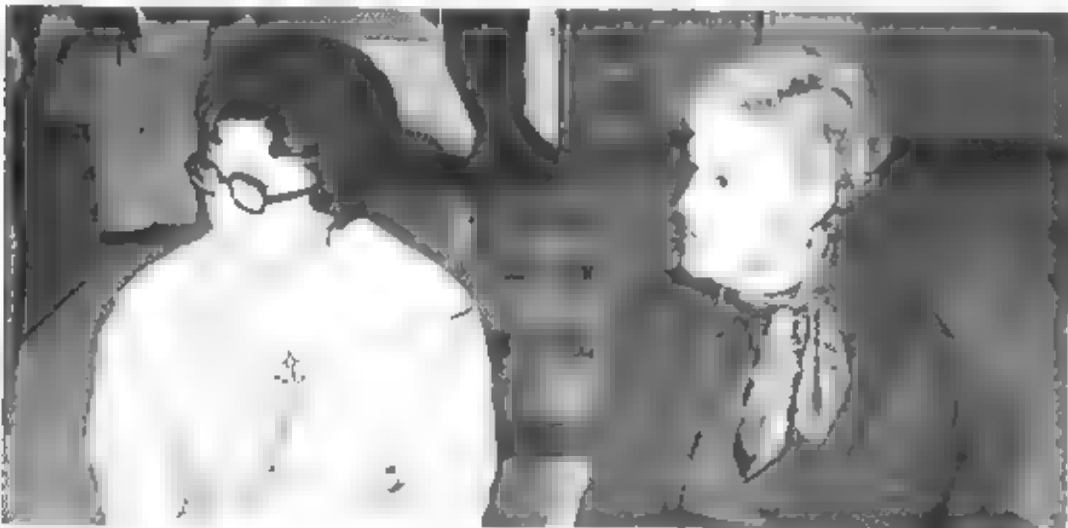

Laquita Brookshire jumps high in field goal attempt, as Shelli Harmon races in for rebound in case of a miss.

There's a big scramble under the basket for the ole basketball and the Savagettes are right in the thick of the fight to retrieve it

Well, it looks like Teresa Brady and Mary Wisdom have pigeon-holed an opponent trying to get off a shot. Look carefully and you can see the ball on right side.

Coach Sue Yates of 7th and 8th Grade girls teams strolls across court in practice session as three team members listen to directions. BELOW, an unidentified Savagette has control of the ball, much to dismay of rival player.

LEFT, manning basketball admission desk are Mrs. Price and Mrs. Gilbride. BELOW, 14 members of Freshman basketball squad ham it up for yearbook photographer.

GRAPPLERS SHOW POISE AND DETERMINATION

Junior High wrestling had an exciting year. "The season this year went real good," said Coach Ed Mekush. "Robert White and Jon Murray led the way with the most wins. Robert White, with only two losses, was outstanding."

"We are going to try and win the conference tournament next year. Jon Murray won first place this year at the tournament in the 157-pound division. Our goal next year: win all "A" and "B" matches," the coach continued.

Perhaps the highlight of the year was when we wrestled Shawnee Junior High. Although we lost 35-22, we got some extremely good experience for next year.

Taking Shawnee's place next year will be Bristow Junior High. We're looking toward it!

JR. HIGH BOYS SPEEDY RUNNERS

Springtime meant tracktime at THS. The young Savage thin-clads participated in numerous track meets, winning their share of medals and ribbons.

Track is a good sport to keep you in shape for other sports--especially basketball and football--and we thoroughly enjoyed running, leaping and jumping.

Coaches Paul Sternberger, Mike Combs and Bruce Walck worked us out under tough conditions.

We hope to win a lot more meets in '78.

8TH GRADE

Waiting their turn at the shotput at Pauls Valley Track Meet are junior Ricky Starks, junior highs Kenneth Cooper, Ronnie Taylor, Bobby McLaughlin and bending over with familiar hat ON RIGHT, the varsity's Ricky Gilbert. BELOW, taking it easy at Holdenville Track Meet are Tina Clark, Tony Hulin, Jim Fire, Randy Wallace and Dana Combs, a 6th Grader running for the 7th Grade team.

Mike Pritchard, SECOND FROM LEFT, gets smooth hand-off from Greg Love in 440-yard relay race at Holdenville as Savage runners win for THS again.

Mitch Ealey awaits his turn to pole vault at Pauls Valley.

SAVAGETTES WIN MEDALS, RIBBONS

Although thin in ranks, Coach Charles Dudley felt his girl thinclads did "quite well" this year. Each freshman girl was a real competitor and will be heard from next year, he feels.

Coach Sue Yate's 7th and 8th Grade tracksters were heard from indeed! The 8th Grade girls won 35 ribbons and eight medals. In the 5-Star Conference, Tecumseh's 8th Grade girls won the 2nd place trophy. Coach Yates felt the 7th Graders learned a lot of fundamentals. They ran in the 5-Star Conference against freshmen--and won 2nd place team trophy! Kristi Young and Bobbie Botkins were standouts.

7TH GRADE

KNEELING, LEFT TO RIGHT, Kristi Young, Diane Lynne, Bobbie Botkins, Lisa Kingsbury, Karen Crow, Patti McGirt, Melissa Fowler, Tammy Parsons, Shayla Johnson, Franny McMahan, Shirley Bennett. SAVAGETTES' 3RD YEAR OF TRACK REWARDING

Tecumseh's fleet lady runners were in the thick of every race this year -- giving their all. BELOW, arrival time at a track meet looks like this. Everyone is casual until the gun goes off.

ACKNOWLEDGEMENTS

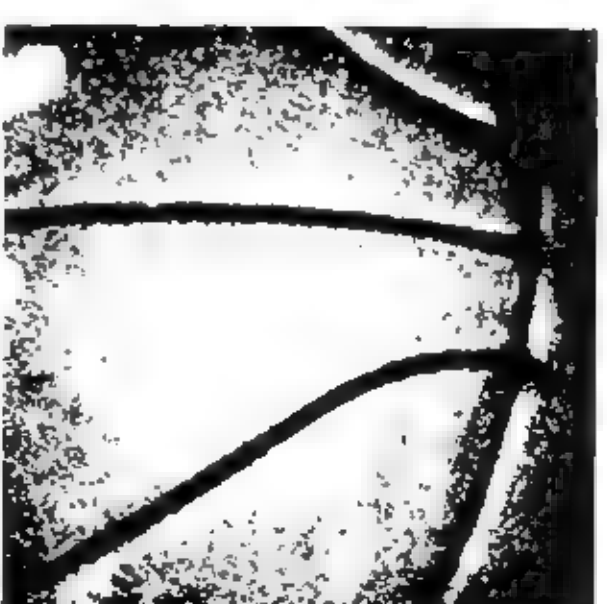

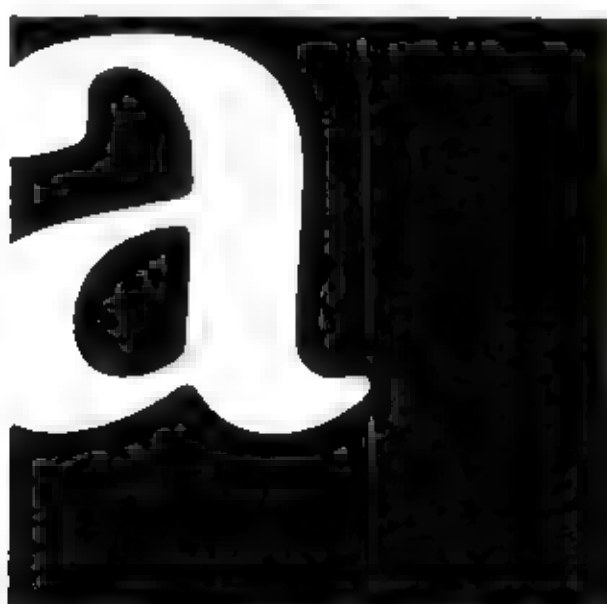

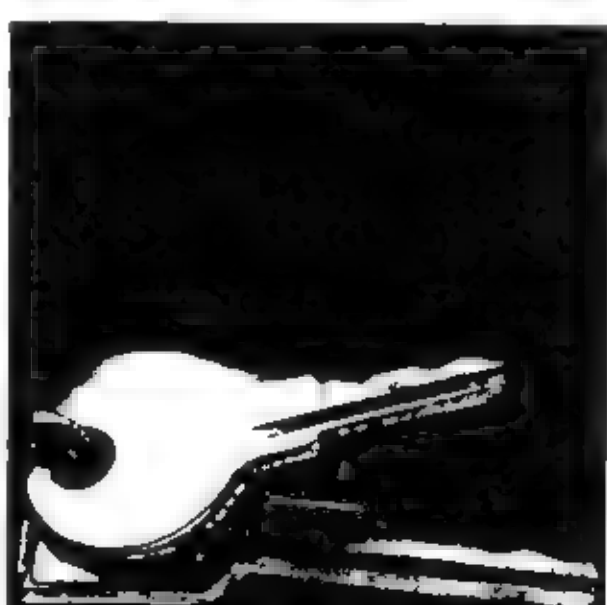

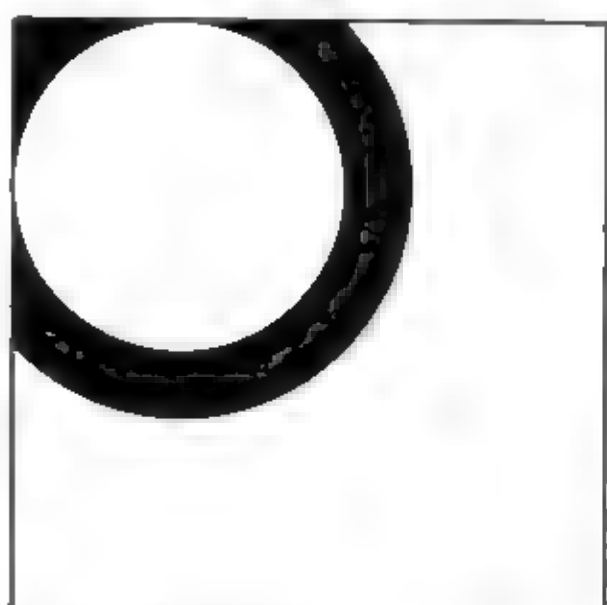

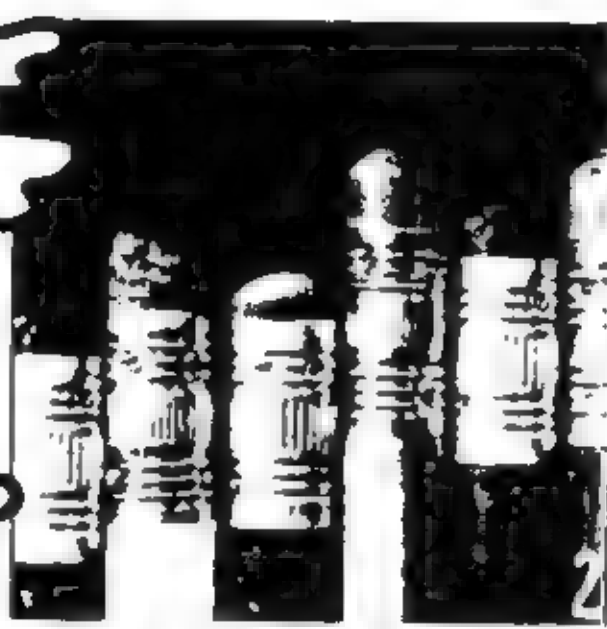

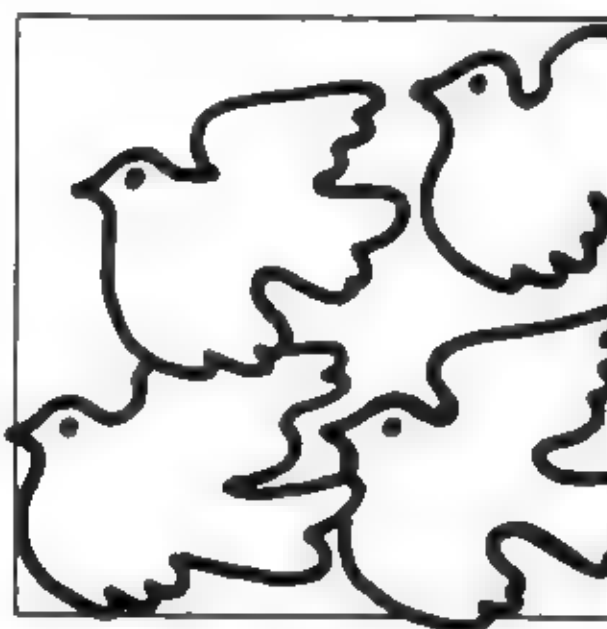

The staff of the 1977 Savage Yearbook owes many people and businesses a tip of the hat, a handshake, and a hearty "Thank You!" for making this edition possible.

By the dozens of advertisements that follow this writing, let it be known that without these Tecumseh and Shawnee merchants' help -- you would not be viewing such a large and exquisite Savage Yearbook. Indeed, without their help there would have been far less pages to view.

Below are a few who greatly assisted us this year: Tom Flora Photography, Shawnee; Mr. Jim Mihura, THS principal; the Tecumseh Board of Education, Mr. Bill Straughan, president; Terry Hart and Dorothy Bermejo of the American Yearbook Co., who again prodded us on to our best efforts; Superintendent Alva Melot and Assistant Superintendent Jim Myers; all the wonderful THS teachers and coaches; the friendly folks at the Tecumseh Post Office; THS Secretary Marie Kochick, and finally but not the least -- the students of Tecumseh Senior and Junior High Schools!
